Position Available

California Department of Health  
Services, Berkeley

### Chief, Viral and Rickettsial Disease Laboratory Branch

Primary responsibilities for planning, management, and direction of programs required for diagnosis, investigation and control of viral diseases in California.

The position requires a medical degree with a license to practice in California, and board certification in public health, preventive medicine and pathology; an MPH or equivalent is desirable. Applicants must have a minimum of five years experience in all aspects of infectious disease surveillance and control, and have knowledge of medical microbiology, immunology, and epidemiology of viral diseases. Salary range \$89,424–105,120.

Send CV to James A. Felten, Assistant Chief, Division of Communicable Disease Control, 601 North 7th Street, Mail Station Number 486, Sacramento, California 95814. Telephone (916) 323-1157, FAX 324-0050. AN EQUAL OPPORTUNITY EMPLOYER.
