

THE AMERICAN JOURNAL OF TROPICAL MEDICINE AND HYGIENE

VOLUME 27

JANUARY 1978

NUMBER 1
Part 1 of two parts

CONTENTS

Chemoprophylaxis and malaria in American servicemen returning from Vietnam. Robin D. Powell	1
<i>Plasmodium falciparum</i> : Responses of a semi-immune individual to homologous and heterologous challenges, and non-infectivity of gametocytes in <i>Anopheles stephensi</i> . Vincent C. McCarthy, David F. Clyde, and William E. Woodward	6
Selection of increased quinine resistance in <i>Plasmodium falciparum</i> in <i>Aotus</i> monkeys. Richard H. Glew, William E. Collins, and Louis H. Miller	9
<i>Babesia microti</i> infection in man: Evaluation of an indirect immunofluorescent antibody test. Emily S. Chisholm, Trenton K. Ruebush II, Alexander J. Sulzer, and George R. Healy	14
Recovery from heart norepinephrine depletion in experimental Chagas' disease. Conceição R. S. Machado, Angelo B. M. Machado, and Cléa A. Chiari	20
Present status of kala-azar in Iran. A. Nadim, A. Navid Hamidid, E. Javadian, Gh. Tahvildari bidruni, and H. Amini	25
A case of primary amebic meningoencephalitis. Light and electron microscopy, and immunohistologic studies. E. O. Hoffmann, C. Garcia, J. Lunseth, P. McGarry, and J. Coover	29
<i>Strongyloides stercoralis</i> —hyperinfection. William P. Boyd Jr., Fred W. Campbell, and Walter L. Trudeau	39
An unusual outbreak of hookworm disease in north India. A. Koshy, V. Raina, M. P. Sharma, S. Mithal, and B. N. Tandon	42
Laboratory transmission of <i>Onchocerca cervicalis</i> with <i>Culicoides variipennis</i> . R. C. Collins and R. H. Jones	46
Larvae of Anisakidae in marine fish of coastal waters near Jakarta, Indonesia. Pinardi Hadidjaja, Herry D. Ilahude, Harun Mahfudin, Burhanuddin, and Malikusworo Hutomo	51
<i>Schistosoma mansoni</i> and <i>S. haematobium</i> infections in Egypt. III. Extrahepatic pathology. Allen W. Cheever, Ismail A. Kamel, Anwar M. Elwi, James E. Mosimann, Ray Danner, and John E. Sippel	55
Immunization of mice with Cobalt-60 irradiated <i>Schistosoma mansoni</i> cercariae. P. Minard, D. A. Dean, R. H. Jacobson, W. E. Vannier, and K. D. Murrell	76
Effect of immunization on migration of <i>Schistosoma mansoni</i> through lungs. P. Minard, D. A. Dean, W. E. Vannier, and K. D. Murrell	87
Hydatid disease screening: Sanpete County, Utah, 1971-1976. Alan G. Barbour, James R. Everett, Ferron L. Andersen, Craig R. Nichols, Taira Fukushima, and Irving G. Kagan	94
An outbreak of bovine cysticercosis in California. Gerald F. Slonka, William Matulich, Edgar Morphet, Carl W. Miller, and Edmond V. Bayer	101
<i>Vibrio parahaemolyticus</i> enterocolitis in Bangladesh: Report of an outbreak. James M. Hughes, John M. Boyce, A. R. M. A. Aleem, Joy G. Wells, A. S. M. Mizanur Rahman, and George T. Curlin	106
Trachoma in a rural South African community. R. C. Ballard, E. E. Sutter, and P. Fotheringham	113
Serological evidence for a high incidence of transmission of <i>Rickettsia tsutsugamushi</i> in two Orang Asli settlements in rural Malaysia. Grahaem W. Brown, David M. Robinson, and David L. Huxsoll	121

An epidemic of yellow fever in Central Brazil, 1972-1973. I. Epidemiological studies. Francisco P. Pinheiro, Amélia P. A. Travassos da Rosa, Mario A. P. Moraes, Joaquim C. Almeida Neto, Solom Camargo, and José P. Filgueiras	125
Observations on the natural history of encephalomyocarditis virus. Robert B. Tesh and Gordon D. Wallace	133
The prevalence of encephalomyocarditis virus neutralizing antibodies among various human populations. Robert B. Tesh	144
Production of adjuvant-induced ascitic fluid in the white rat. J. L. Price	150
Isolation of Rio Bravo and a hitherto undescribed agent, Tamana bat virus, from insectivorous bats in Trinidad, with serological evidence of infection in bats and man. J. L. Price	153
Serological evidence of infection of Tacaribe virus and arboviruses in Trinidadian bats: J. L. Price	162
Relevance of laboratory colonies of the vector in arbovirus research— <i>Culicoides variipennis</i> and bluetongue. R. H. Jones and N. M. Foster	168
Heterogeneity of <i>Culicoides variipennis</i> field populations to oral infection with bluetongue virus. R. H. Jones and N. M. Foster	178
Laboratory studies of transovarial transmission of trivittatus virus by <i>Aedes trivittatus</i> . Bruce M. Christensen, Wayne A. Rowley, Yau W. Wong, Donald C. Dorsey, and William J. Hausler Jr.	184
Venereal transmission of La Crosse virus from male to female <i>Aedes triseriatus</i> . Wayne H. Thompson and Barry J. Beaty	187
A fibroendoscopic study of acute gastrointestinal hemorrhage in Nairobi, Kenya. David P. Hansen and Donald S. Daly	197
BRIEF COMMUNICATIONS	
Treatment of giardiasis with tinidazole. N. Ayad El Masry, Z. Farid, and W. F. Miner	201
In vivo effects of mebendazole and levamisole in the treatment of trichuriasis and ascariasis. Edward D. Wagner and Dale D. Rexinger	203
A case of occipital gnathostomiasis in Thailand. Prasop Nitidandhaprahbas, Kobkiat Harnsomburana, Chumphol Surasvadi, and Weera Mahunee	206
North Borneo (Malaysia): A new locality for <i>Schistosoma japonicum</i> . Robert E. Kuntz	208
Leptospirosis in zoo workers associated with bears. Daniel C. Anderson, James G. Geistfeld, H. Michael Maetz, Charlotte M. Patton, and Arnold F. Kaufmann	210
Books received	212
Books reviewed: <i>Diagnostic Pathways in Clinical Medicine. An Epidemiological Approach to Clinical Problems</i> , by B. J. Essex; <i>Doing Better and Feeling Worse</i> , by John H. Knowles; <i>General Epidemiology</i> , by Herbert Sinnecker; <i>Marine Helminths and Human Health</i> , by H. Harford Williams and Arlene Jones; <i>Parasite Invasion</i> , edited by A. E. R. Taylor and R. Muller	212
